Every student must pay a down payment (resident students - \$500; commuter, online and graduate student \$250) each year.

Account balances are due in full by the first day of class each semester, unless a pre-authorized payment plan has been set up with the Business Office. Payment plans divide the amount due for the semester into four monthly payments or less, which are automatically deducted from either a checking/savings account or a debit/credit card on a monthly basis. Fall payment plan dates are deducted on either the 15th or the last day of August, September, October and November. Spring payment plan dates are either the 15th or the last day of January, February, March and April. Accounts not paid by the first day of classes or not having a payment plan in place will be considered delinquent and be subject to the rules of delinquent accounts.

Monthly payment plan guidelines:

- A payment will be deducted on an ongoing basis until the end date listed above or until the student gives written notification to the Business Office or terminates the payment plan through the online payment portal.
- Debit/Credit card transactions resulting in declination will be subject to a \$30 service charge. Two declined transactions may result in plan termination with payment in full.
- Notifications of declined payments will be directed to the student via email.
- A returned ACH transaction will result in a \$30 service charge to the student account. Two returned transactions may result in plan termination with payment due in full.
- Convenience fees will apply based on the payment method chosen when setting up the payment plan.
- Any unpaid balance after completion and/or termination of the payment plan is the responsibility of the student.
- Payment is only accepted via credit/debit card or from a US bank account.

When students have been accepted for admission, students, parents, and/or guardians accept all of the conditions of payment as well as all regulations of the College.

Charges to students are based on attendance for an entire academic year. Adjustments to these charges are made for commuter students, and for those entering or graduating mid-year, enrolling for additional study, or registering for only a summer term.

In making the initial non-refundable down payment, the student and parent or guardian acknowledge these terms and signify acceptance of these obligations. No promise or contract that differs from these terms shall bind the college unless it has been signed by the Chief Financial Officer of Missouri Valley College. Missouri Valley College reserves the right to increase or reduce fees for each year according to changes in fiscal conditions.
